

AMERICAN COMMUNITY SURVEY  
**DATA USERS GROUP**

# American Community Survey Data Users Conference

**#ACSCConf15**

College Park Marriott  
Hyattsville, Maryland  
May 11-13, 2015

- PRB and Sabre Systems established the group in partnership with U.S. Census Bureau
- Goal is to help data users communicate with each other about key ACS data issues and applications
- Membership is free and open to all ACS data users
- A 13-member Steering Committee formed to help guide the selection of topics and activities

# Why do we need an ACS Data Users Group?

- Complex survey, always changing
  - New questions, methods, data products
- ACS is widely used by diverse group of stakeholders, many working in isolation
- Unmet need related to ACS data and issues

# Activities

- Webinars on ACS data issues and applications
  - Using the ACS to Measure Health Insurance Coverage (March 2015)
  - Combining ACS Data with Other Data Sources (Feb. 2015)
- Sessions at professional meetings
- Annual ACS Data Users Conference
  - First in Washington, DC in May 2014
  - Second in Hyattsville, MD in May 2015
- Website and Online Community
